## **OXFORD RADCLIFFE HOSPITALS CHARITABLE FUNDS**

**(Registered Charity No. 1057295)**

If you are a UK taxpayer, the Government's Gift Aid scheme means we can reclaim the tax you have already paid on your gift. This means that your gift can increase in value by almost a third at no extra cost to you.

Donors who are liable at the higher rate of income tax can claim the difference (currently 18%) between the higher rate of 40% and the basic rate of 22% on the gross donation.

If you pay a lower rate (10% or 20%), tax can still be claimed back at 28p for each £1 you donate, provided you pay enough tax to cover the claim on the gifts.

Please complete this form and return it to the address BELOW.

**Thank you for your support**
